

Our Dear Classic Car Enthusiast,

Following the success of our Festival in 2018, we have already started to plan and organize next years event. Our motto this year is "COME JOIN THE JOURNEY BACK IN TIME"

The objective of the festival is to unite today's classic vehicles, which were icons of their day and each an item of cultural heritage, with their enthusiasts and to have them on board at this visual feast.

As the Antique Automobile Federation our wish is to have members of classic car clubs from Turkey and other countries, collectors, galleries and all classic car aficionados take place in the festival, display the rare beauties of their own, participate to the auction and share this visual feast with others.

Any classic car enthusiast taking a role in this 3-day festivity, every minute of which will be filled by classics, will without a doubt be looking forward to the next year's festival. At the festival, classic car fans will find the opportunity to see in real the very special classics one would not be so lucky to come across in daily life, sell or swap their classics if they want to enjoy a new one. Moreover, the festival will be a great venue for all participants to make new friends, establish contacts and to flourish the classic car hobby, which is so important in our hobby.

So, how does a three-day journey on the memory lane - tasting and smelling like candies, sweets and soda - sound? If you like to come join the journey back in time, our festival will be taking place between the dates 28/ 29/30 June 2019.

Please make a note in you agenda, we are very much looking forward to have you here in Istanbul.

Kind Regards

AOF Festival Committee
